

**Weingärtner Stromberg-Zabergäu**  
**2016er Riesling**  
**Icewine**  
Württemberg

**Wine description**

Very ripe Riesling fragrance with a wonderful bouquet of intense, dried fruit, ripe apricot and pineapple, buttery notes and subtle vanilla aromas. The pleasant sweet fruits of apricot and pineapple are present for a long time on the palate. On the other hand, this sweet elixir keeps the refreshing acidity of the Riesling, which gives the whole thing something playful and easy. This ice wine is best suited as a dessert wine, especially for festive food. It also fits to cheese like blue cheese or camembert.

**Soil**

Upper trias, shell limestone
